Queen's Regulations and Admiralty Instructions, page 19, Art. 74.

1. My Lords Commissioners of the Admiralty, with the concurrence of the Secretary of State for the Colonies, are pleased to direct that whenever a requisition is received by any Officer in Command of one of Her Majesty's Ships for the embarkation or conveyance of a Governor, High Commissioner, Lieutenant-Governor, or Officer Administering the Government of a Colony, the Senior Officer present may direct the special Flag of such official personage to be hoisted at the foretop-gallant masthead of the ship in which he is embarked; provided that he, after consultation with and on requisition from that official, considers it for the benefit of the service about to be performed that such Flag should be hoisted, and provided that it is only hoisted or carried within the limits of his Government or High Commission in which he would be entitled to be saluted under Article 18, page 4, of the Queen's Regulations and Admiralty Instructions, 1879.
